VENUE:

MULTIPURPOSE CONFERENCE HALL
KAMINENI INSTITUTE OF MEDICAL SCIENCES,
NARKETPALLY

Dear Colleagues,

Department of General Surgery, Kamineni Institute of Medical Sciences, Narketpally is organizing SURGICON - 2016 on "Current Trends in Pancreatic Disorders" on 24th September 2016.

The management of pancreatic disorders has undergone a sea change during last few years. The incidence of acute and chronic pancreatic disorders is on raise needing the surgeons to be aware of the present management protocols. The diagnosis of pancreatic neoplasm is often delayed. Some times, a young surgeon is required to deal with a rare pancreatic injury. To address all these issues we have renowned faculty, who are experts in this field.

The conference is being conducted to enrich the knowledge of postgraduates and practicing surgeons in current management of pancreatic disorders.

We invite you and your colleagues to participate in the conference and make it a grand success.

Sincerely Yours
Dr. M. Subramanyam
Professor & HOD, General Surgery
KIMS, Narketpally

Audience: All faculty and postgraduates from medical colleges & Practicing Surgeons

Registration fee: Till 21st September. 2016 - Rs. 500/-

About Kamineni Institute of Medical Sciences

Kamineni Institute of Medical Sciences Campus is located at Sreepuram, Narketpally, Nalgonda Dist. on the 89 KM from Hyderabad and 190th KM from Vijayawada on the National Highway-65. Magnificence of the Institute and Hospital buildings compliment the 30 acre landscape in which they are built. Special emphasis is laid on the lawns, avenue trees, flower gardens, etc. which give an aesthetic touch to the entire panorama. This together with its location gives the campus a serene atmosphere which is indispensable in imparting Quality Education.
