EXECUTIVE SUMMARY :

Kamineni Institute of Medical Sciences (KIMS) – The Medical College and Teaching Hospital is promoted by Kamineni Education Society, Hyderabad since 1999 with annual admission of 100 students in MBBS Course which increased to 150 from 2006. The institution has permission from Ministry of Health & Family Welfare for 200 admissions from 2015 onwards. The College permitted by Medical Council of India to start Post Graduate [Degree & Diploma] Courses in 22 specialties in phased manner from 2005. The recognition for P.G [Degree & Diploma] courses by Medical Council of India accorded in a phased manner from 2008.

The KIMS is located at Sreepuram, Narketpally, Nalgonda Dist. 89Kms from Hyderabad and 190 Kms from Vijayawada on National Highway – 9 (Hyderabad – Vijayawada). Magnificence of the Institute and Hospital buildings complement the 34.65 acres landscape in which they are built. Special emphasis is laid on the lawns, avenue trees, flower gardens etc., which gives an aesthetics touch to the entire panorama. This together with its location gives the campus a serene atmosphere, which is indispensable in imparting Quality Education.

With an atmosphere like that of the Vedic ages, the Institute equally boasts of global standards when it comes to Technology. The ultra-modern infrastructural facilities motivates the staff and students alike, to scale greater heights. The Quality Standards maintained and the faculties appointed are as per norms of the National Medical Commission. Since the inception, there has been relentless growth & constant upgradation making the Institute, a center par excellence. Along with Qualitative Teaching Methods, self-learning is equally encouraged through “Sahithi” – the Library which is a separate building housing thousands of Textbooks, Journals, Periodicals, Magazines, CD-ROM titles, digital library etc.

Kamineni Institute of Medical Sciences is accredited with Grade-"A"
by National Assessment & Accreditation Council [NAAC]

Academic outcomes

- **Induction programmes** : K I M S conducted Induction and orientation Programs for first year students, Interns, Postgraduates and Faculties. Foundation program exclusively for 1st MBBS students.
